Program Overview:

This Agile ScrumMaster (ASM®) Training introduces you to Agile's best practices and the nuances of Scrum methodology. Master the Agile Scrum project management approach and enhance your ability to develop and deliver quality products to customers. Use this popular methodology to maximize business value while mitigating potential risks.

Program Features:

- > 20 hours of instructor-led learning
- > 5+ hours of Online self paced videos
- > One live project and 2 case studies
- > 19 PDUs in self-paced learning and 24 PDUs in an online classroom
- > Exam fee included

Delivery Mode:

Online Bootcamp - Online self-paced learning and live virtual classroom

Prerequisites:

There are no prerequisites for the Agile Scrum Master online training course. It is suited for any professional aspiring for a management role.

Target Audience:

- > Team leaders
- > Project managers
- > Members of Scrum teams such as developers, ScrumMasters, and product owners
- > Managers of Scrum teams
- > Teams transitioning to Scrum
- > Professionals intending to pursue the ScrumMaster certification

Key Learning Outcomes:

This course will enable you to:

- > Become proficient in Scrum terminologies and their applications
- > Facilitate daily scrums, user stories, sprint planning, and sprint reviews
- > Produce different Scrum artifacts, including product backlog, sprint backlog, finished deliverables, and the definition of “done”
- > Implement a distributed Scrum of teams spread across vast geographies
- > Grow into a ScrumMaster role within any organization implementing Scrum
- > Setup and handle projects on a JIRA cloud site
- > Pass the EXIN Agile ScrumMaster exam on your first attempt
- > Apply best practices crucial for getting the maximum value from Scrum methodology

Certification Alignment:

Our Agile ScrumMaster is accredited by [EXIN](#). We are the registered training provider for this course.

Certification Details and Criteria:

You can obtain a formal Agile ScrumMaster Training from a registered education provider (REP) like Simplilearn. Register with EXIN to purchase the exam voucher and schedule your web proctored exam online. Upon successfully passing the exam, you will be awarded the Agile ScrumMaster certification from EXIN.

Customer Reviews:

Sandeep JC

Software Test Engineer experience in Manual, Salesforce and Automation Testing.

Simplilearn is the best place to learn online from experienced and certified tutors. I have completed the Agile Scrum Master and Salesforce training through Simplilearn. They provided a user-friendly environment with world-class trainers and e-learning content. The SimpliTalk forum is great for resolving and questions.

Jithin Khurana

Senior Software Engineer at Gemalto

Simplilearn is a fantastic platform to learn new technologies while being employed. The course content is excellent. After getting certified, I was able to change my job role and grab a 30% salary hike.

Hariprasad Srinivas

Team Manager

Everything, the trainer, tools, and technology used, the pace and accessibility were really good.

Anup Acharya

Sr Product Specialist at Cognizant Technology Solutions

Simplilearn is a great place to learn new skills. I have completed my Agile Scrum Master certification from Simplilearn. The course content is good and very easy to understand. The certification helped me to get a job offer with a great hike. I highly recommend Simplilearn.
